

WINE CRUISE FOR A CAUSE: HILINSKI'S HOPE

WITH LOMBARDI WINES, VJB CELLARS, AND WELLINGTON CELLARS

HILINSKI'S HOPE
&
HEARTS

Amalyra in Rouen, France

ABOARD AMALYRA • 7 NIGHTS • JULY 4 TO 11, 2024

Paris • Les Andelys • Le Havre • Caudebec-en-Caux • Rouen • Vernon • Paris

An Exceptional Journey to Benefit Hilinski's Hope!

Paris always sizzles while Normandy beckons with its stunning coastline, incredible food and artistic beauty. Monet's Gardens and the charming harbor town of Honfleur will inspire you the same way as they inspired the great Impressionists. For inspiration of a different kind, travel the "Routes des Abbayes," visiting some of the most magnificent monasteries, and to the unforgettable beaches of Normandy where Allied forces landed during WWII's D-Day invasion. Relive the grandeur of royalty at Chateau de Bizy, once referred to as "the Versailles of Normandy." Blend a passion for the good life with culture, art, architecture and timeless landscape in Northern France. There is no better way to experience this journey than with your winery hosts from Lombardi Wines, VJB Cellars and Wellington Cellars! Plus, for every passenger, a donation will be made to support Hilinski's Hope!

An Exclusive Experience with your Wine Hosts!

- Welcome Aboard Reception

ABOUT HILINSKI'S HOPE

The Hilinski's Hope Foundation (H3H) is a non-profit organization founded in 2018 by Mark and Kym Hilinski to promote awareness and education of mental health and wellness for student athletes and to honor the life of their son Tyler. H3H helps colleges and universities save lives, eliminate stigma, and scale mental wellness programs for student-athletes. H3H does this by sharing Tyler's story, connecting students with mental health resources, and assisting universities to institutionalize best practices while funding programs that provide student-athletes with the tools and resources that support their mental health and wellness.

H3H envisions a world where mental health is supported in parity with physical health and equally prioritized by universities as connected to athletic performance.
