WINE HOSTS BIO

Yvonne & Bill Kreck - Mill Creek Vineyards & Winery

As proprietors of Mill Creek Vineyards & Winery, one of three generations who have run the winery, Bill and Yvonne Kreck have a hard time separating family life from work. For them, being part of a winemaking family is both a way of life and a way to make a living. The best part is that neither could have asked for a more fitting way to blend similar backgrounds and beliefs. Their childhood experiences also provided them with a strong sense of community, and a commitment to maintain the rural lifestyle. Both Bill and Yvonne came from backgrounds that emphasized respect for agriculture. Both had the idea of wise and conservative use of land, and deep respect for those who make their livings from it, ingrained from the time they were children. While their paths temporarily separated, they both returned to their roots in Sonoma County to marry, raise a family, and help run the family business. Mill Creek's estate property was first planted in Dry Creek Valley in 1969 to three white and three red varietals. Bill's dream of a small vineyard on their home Chalk Hill Road property came true in 1991; amidst two-hundred-year-old valley oaks are seven acres now planted to the classic Bordeaux varietals Cabernet Sauvignon, Merlot and Malbec used in the Kreck Estate Meritage, Reflections. Mill Creek Vineyards now incorporates grapes from this vineyard with those from the Dry Creek Valley Estate property for their wine portfolio.
