Journey through the Panama Canal!

The Panama Canal is one of the iconic cruise destinations in the world -- an amazing experience that should not be missed! The canal is 48 miles long and links the Atlantic and Pacific Oceans. This one-way full transit cruise sails through all of the canal's impressive locks and Gatun Lake. You hear the macaws in the trees as they call out and see monkeys on the shore.

Feast on traditional holiday meals without worrying about any of the prep or cleanup. Marvel at the festive decorations, like Christmas trees covered in trimmings and tinsel that will make you feel right at home. No better way to "Ring in the New Year" with the famous balloon drop in the atrium!
