Inaugural Wine Cruise Society Wine Cruise!

January 31, 2027 – 11 Days Antarctica Fly Cruise – Silver Wind

Date	Itinerary
1/31/2027	Enjoy a one night stay in Santiago, Chile
2/1/2027	Silversea will transfer you to a private airfield, where you will board a chartered aircraft to Puerto Williams. Upon arrival you will be transferred to the World's southern most hotel The Cormorant at 55 South. This brand new hotel has been custom built to reflect the essence of Tierra del Fuego.
2/2/2027	Puerto Williams - King George Island, Antarctica: Awaken to the stunning sites of Tierra del Fuego! Silversea will transfer you to the regional airport for your exclusive charter flight to King George Island. Upon arrival, you will be met and transferred to Silver Wind.
2/3/2027	Antarctic Sound, Antarctica: Come face-to-face with arena-sized islands of ice and meet the extraordinary birdlife that calls this whitewash kingdom home. Watch on, as colonies of Gentoo penguins hop around, and cape petrels sweep overhead, as the continent's unique wildlife thrives around you.
2/4/27 - 2/7/27	Antarctic Peninsula, Antarctica: Witness cathedral-sized icebergs up close, and blue-hued glaciers, slowly slipping from imposing locations like Hope Bay. Blanched mountain peaks cover the peninsula, and you'll find thousands of adorable Adelie penguin pairs thriving undisturbed in this peninsula's unique setting.
2/8/2027	South Shetland Islands, Antarctica: The triple peaks of Mount Foster tower above the archipelago, and you'll feel your heart pumping a little quicker, as you sail into the core of Deception Island's magnificent collapsed volcano caldera. Hike the lunar landscapes within, and even dip into the improbably warm, geothermally heated waters of Pendulum Cove. Elephant Island, meanwhile, is written deep into the annals of Antarctic expedition legend, as the site where Ernest Shackleton and the stricken crew of the Endurance miraculously survived a harsh Antarctic winter, in 1916.
2/9/2027	Drake Passage: If the journey across Drake Passage sounds daunting, don't worry – you will often be accompanied on this adventure by soaring albatrosses and maybe even a protective pod of humpbacks and hourglass dolphins or two. Converging warm and cool ocean currents attract some spectacular animal life to the passage. Enjoy the opportunity to share photos and enjoy the onboard lectures reflecting on all the amazing experiences of Antarctica.
2/10/2027	Puerto Williams, Chile: Late tonight you are scheduled to arrive in Puerto Williams. Puerto Williams is a Chilean city located on Navarino Island on the southern shores of the Beagle Channel where you departed on your Antarctic adventure.
2/11/2027	Puerto Williams, Chile: This morning you will disembark Silver Wind. Silversea will transfer you to the regional airport for your charter flight to Santiago.

With a strengthened ice-class hull Silver Wind is one of the most adaptable ships in the Silversea fleet. Timelessly elegant, still luxuriously relaxed, Silver Wind's cruising versatility means she can travel from Polar Regions to iconic ports with fluid ease. With only 274 fellow expeditionists, enjoy nearly one crew member for every guest, and Zodiac boats offering a 1:11 guest ratio!
